

DESCABEND PTS-20

Flat braided earthing tapes

6,00 mm² - 75,00 mm²

The DESCABEND flat braided earthing tapes are suitable for all kind of electrical connections in cabinets, in low voltage systems in general, as switch connections, in the electroplating, etc.

Construction	Tapes made of tinned copper wires 0,20 mm, rectangular rolled Solderless pressed tinned copper sheet contact areas, holes embossed from 50,00 mm ² : solderless pressed tinned copper tube contact areas, holes embossed
Technical Data	- -
Standards / Approvals	- -

The characteristics of these earthing tapes are a high-power transmission by compact dimension, a high flexibility, they are extremely resistant to vibrations and oscillations and they can be easily installed as measurement errors can be compensated.
